

Important Note to All Volunteers

All previous and new coaches, assistant coaches and team parents must complete a new background check EVERY fall season. The background check is completed online thru the link on the following instruction pages.

Since an individual's "Approved" background check also serves as the coach (assistant coach or team parent) registration for both seasons with CYSA, it is very important to accurately complete the Volunteer Information page (See example below). Omitting any information could result in a delay in access to the team information.

Example:

Risk Management Disclosure Form
2008 / 2009

Fields marked in red are required.

Volunteer Information

Volunteer Type(s):

- Head Coach
- Asst. Coach
- Trainer
- Referee
- Team Manager
- Association Board Member
- League Official
- Association Employee
- Indoor Center Employee
- Volunteer
- Other

Hold the Ctrl or Command key to select multiple items.

Notes

Type in all team names AND age divisions here:
Example: Head Coach: U6 Girls-Psychedelic Soccer Stars; Assistant Coach: U8 Boys-Crazy Cougars.

Please specify your preferred age group(s), which role you will undertake at which league, previous team, child's name, etc.

SportsPilot VMS – Volunteer Management System

NTSSA Automated Risk Management

Start here: <https://ntssa.sportstech.net/ISIS.NET/Register/VMS.html>

All information you enter and receive will be transferred over a secure (SSL) connection.

Welcome Screen

This is where you will start the registration process to volunteer with NTSSA. NTSSA requires that a risk management disclosure form, such as that in the VMS system, be filled out once per year. After filling out the form once, you will receive a username and password to be used in subsequent registrations with NTSSA, and let you avoid filling out redundant personal information.

If you have a username and password combination from NTSSA, enter it below and click the Login button, otherwise click the New User button.

Personal Information

On the next screen, please fill out your personal and contact information. Fields marked in red are required. It is important that your email address is valid, since this will be NTSSA's primary contact with you. If there are any issues with your disclosure form, or if your background check requires manual review, NTSSA may contact you at the phone numbers you provided, but your email address is where you will get instant notifications on the status of your approval.

Authorization and Liability

Please carefully read the agreement from NTSSA. If you agree to it in its entirety, check "I accept the above agreement" and click the Next button. The Next button will not be enabled if you do not click the check box. If you have any issues with the agreement, please contact NTSSA directly.

Background Information

To the best of your ability, please answer the questions on the next screen regarding your background history. Again, fields in red are required. If you do not have either a valid Drivers License and/or Social Security Number, please check the appropriate box(es) on the right hand side of the page. You will only be allowed to continue registration without this information if you check the appropriate box(es).

To expedite the review process, if you answer yes to any of the last four questions, please explain the circumstances in the notes box at the bottom of the screen.

Volunteer Information

On the final screen, please check ALL of the volunteer roles (Head coach, referee, board member, etc.) and select ALL of the NTSSA affiliates for which you wish to volunteer. To select multiple affiliates, hold down the Ctrl key (Command key on a Mac) while you click on the affiliate names in the list box. In the notes section, please specify which volunteer role you would like to perform at which affiliate, if you select multiple options from each. If you select "Referee" from the volunteer types, the notes section will automatically be populated that you wish to volunteer across ALL NTSSA affiliates as a referee.

Approval Status

On the final screen you will see the status of your background check. This information will also be emailed to you, NTSSA, and all of your selected affiliates. If your background check requires manual review, you will be contacted by NTSSA; otherwise your selected affiliates will see you have been approved. At this point they may assign you to your requested roles at their own discretion and on their own schedule.

Clicking the Finish button will redirect you to the NTSSA home page.

Support

If you experience a problem submitting your volunteer information please email sp.support@sportspilot.com your name, phone number and a brief description of the problem you encountered. SportsPilot will reply to you either by email or at the phone number you provided.
