

Player Login Instructions

Players may update contact information or check their team information by logging into their profile in Sports Pilot.

1. Go to Sports Pilot's by clicking on this link: [Player Login Page](#)
2. Log in using your username and password
 - a. If you don't have them, click on "I don't know my User Name and/or Password" at the bottom of the log in section on the page. They will be sent to you via email.
3. Enter an email address currently on file with your player's data.
4. You must be able to access the emails sent to this address to retrieve your log in information.
5. To change your player's contact information, click on the Edit My Information button. The button is found underneath the player's basic information in the top portion of the page.
 - a. The system will only allow you to update specific information. It will not allow you to change the DOB or the team name.
 - b. You may also edit your username and password on this page to something that is easier for you to remember instead of the auto-generated username and password assigned to your player by Sports Pilot.
6. To view your player's team information, including team name, coach information and other players on the team, scroll down to the current season then click on Team Roster. Coach Contact Information link is listed above the player list.
7. If you have any problems with this process, just send me an email and I'll do what I can to help you.
